Notes:

② I had to make a police report because
8/6 CYFD requested me to. They wanted the
police to report her harrasing phone calls
to me on the weekend. Calls took place
at → 10:10 pm, 10:11, 10:12, 10:14.

10:15, 10:20, 10:20, these
calls all took place on August 6.

I came to the Espanola Records/Police Department
to make the report. Again officer ~~LOPEZ~~ ^{ROMERO}
was a pawn for Diandra Salazar, he
pretended to not know me but persisted
to ask me if this was about a
child order or restraining order.
I told him I didnt feel comfortable using
him as my officer because I knew him
and my ex were friends or possibly in
a relationship, He acknowledged he had
driven by my house and that he and
Diandra had been out together along

③ with another officer and her friend. he assured me it was just as friends but they do talk. I then told him I didn't care about that, I just needed to make the report. I also stated for him to be careful because she was a dangerous person, to me, herself and her family. She totaled 2 cars in less than a month being careless. One took place in Espanola, NM Crash # 23393312 on July 28th at about 6:30pm. I am asking that any officers that are friends or intimately involved with my ex are not dispatched out to ~~my~~ my complaints. I have the right to move on with my life in peace without further problems with Diondra Salazar, or Manny Romero her current Boyfriend. I also ask Mr. Romero to beware of her intentions ~~she~~ she is trouble and dangerous, as she has lost

④ all 5 of her kids due to alcohol and drug abuse. I have 1 with her and am working as hard as I can to get her back.

By no means am I perfect, but enough is enough with problems from Diondra Salazar and Manny Romero.

Manny also referred me to do the report at the state police station. After waiting three hours J. Duran (state police officer) told me he made a mistake he should have never referred me out of the city office. I was instructed by Chief Gallegos to come and file my criminal complaint with Deputy Vigil today 8/10.

Romero ~~is~~ was also questioning me about irrelevant things like what times are my classes, and where, and what did the message say, and if we are still together.
